

# **Turning Knowledge into Books**

**with Dan Poynter**  
Creator of

**The New Book Model**

**A unique approach to publication  
combining the best of traditional and  
self-publishing to accelerate your success**

# Your Action Plan

## Here Are Just Some of the Ways You Can Put Dan Poynter's Experience to Work for You

### **Sign up for Dan's FREE *Publishing Poynters* newsletter**

Twice a month, you will receive this free ezine chock full of useful tips, information and resources to make your book writing, publishing and promoting faster, easier and more profitable. Sign up at <http://ParaPublishing.com/news.html>

### **Attend one of Dan's Workshops near you**

There is always new information in a Poynter seminar. People come back time after time because you simply can't absorb it all in one workshop. See the ParaCalendar at <http://parapub.com/calendar.cfm?> Or come to Santa Barbara for a two-day intensive. See <http://parapub.com/getpage.cfm?file=resource/edutrain.html>

**Print out the InfoKits.** Detailed information on book writing, production and promotion. See

<http://parapub.com/getpage.cfm?file=/infokit.html>

### **Get (and read and follow!) Dan's Books**

Dan's references will assure your success in book writing, publishing and promoting. (They make great gifts for the author in your life, too) See the order form.

**Visit the Para Publishing Website at**

<http://ParaPublishing.com>

There is always something new, interesting and useful to keep you moving toward your success.

**"I do not want people to die with a book still inside them"**

— Dan Poynter, Author-Publisher-Speaker.
