# Giving Back TO COMMUNITY CATS

One day I'll be  
on the other side of  
the glass

Now I am  
and I'm giving back

Sly Pie first visited us in November 2015 and broke into the catio through a damaged screen roof. He would often show up after a snowstorm and stare at the Chirpies through the sliding door. Eventually, this resilient little capri pants made it to the other side of the glass. Because he knows what it feels like to be homeless, he's donating all proceeds from this calendar to the TUF CAT community campus cats.

Sly's story was featured on Lola The Rescued Cat blog at [lolaratherescuedcat.com](http://lolaratherescuedcat.com)

*Thank you!*

We thank you for purchasing our calendar and helping us help community cats like Skeeltjies, Saartjie and Smokey Joe have a meal everyday. The TUF CAT team continues with their TNR and rescue work on and off campus, caring for unadoptable cats and dogs, community education and outreach.
